“The Seattle Yacht Club Foundation’s grant is helping to meet the Campfire USA Central Puget Sound’s critical need of connecting youth with meaningful outdoor experiences. Thank you for sharing your passion for boating with youth who would not otherwise have the opportunity to canoe, kayak, windsurf, and sail at Camp Sealth this summer.” — Campfire USA Central Puget Sound

“There is a strong bond very much like a family and if you have a bond like that you have a stronger team.” — Rainier Valley Rowing

What is the SYC Foundation?

- The SYC Foundation is a 501(c)(3) charitable organization.
- The Foundation's purpose is to promote interest and participation in boating activities and programs, with particular emphasis on young people. Financial support is provided to a broad range of educational, training and competitive endeavors.
- The SYC Foundation is an extremely efficient charity which operates with less than 1% overhead so nearly all funds received are passed on to grant recipients.
- The Board actively seeks out opportunities where we can make a difference and help programs, youth teams and individuals. We encourage individuals and groups to complete our grant request form and solicit our help.
